SATISFACTORY OR UNSATISFACTORY: THE OUTCOME OF A CONDITION REPORT

CAN A REPORT WITH C3S BE SATISFACTORY?

WHAT WAS FOUND	OUTCOME
Any **C1**	**UNSATISFACTORY**
Any **C2**	
C3 only	Satisfactory
Nothing	

> `The periodic is carried out to the current edition — whenever the installation was built`

An installation wired fifteen years ago is still reported against today's BS 7671. It was compliant when installed; that is not the question a condition report answers.
